

Lowy Cancer Research Centre

The Lowy Cancer Research Centre Building is located on the upper campus of University of New South Wales, on High Street, Kensington.

- Pedestrian entry is at **Gate 9a**, High Street.
- Parking entry is located at **Gate 11**, Botany Street.

Parking information

There are two car parks nearby which are accessed via **Gate 11** on Botany Street, just next to the AGSM building. The smaller outdoor carpark has casual visitor parking located along the back wall and certain sections throughout the carpark. This car park is located immediately to the right before the entry to the multi-story car park.

The multi-story carpark has visitor parking on the roof level only.

Visitors and non-permit holders must park in the "2P Pay and Display" sections. Cost of parking is \$3.00 per hour (current as at January 2010).

Both car parks are a short walk to the Lowy Cancer Research Centre building.

There are also short term (1-2 hour) parking spots along Botany and High Streets and nearby streets.
